# TOUCH & GUESS

Touch the paper bags and tell the class what fruit you think is in the bag. Then take it out and ask the class a question with this fruit.

Could you tell what the butterfly is made of?

## ACTIVITY

- Start the game with 苹果(píngguǒ).
- Say your fruit TWICE then say another fruit, like “苹果(píngguǒ), 苹果(píngguǒ), 香蕉(xiāngjiāo)”
- If you are香蕉(xiāngjiāo), you must say “香蕉(xiāngjiāo), 香蕉(xiāngjiāo)”. Then say any other fruit name except your own one and the fruit just called.
- If your fruit is called and you have no response to that or you say your fruit wrong, you will get a worm. Try to protect your fruit!
