Day 7: Shop Savvy!

Today at the Great Wall, you've learned ways to bargain with street vendors. Imagine you want to buy a souvenir at the Great Wall, what are some ways you can negotiate good bargain? In your dialogue, please include at least four ways to bargain. Your dialogue needs to show that customer and the vendor reach an agreement through negotiations.

Breakfast in Beijing

Today, you went to the local Chinese steamed bun shop to have breakfast with your host family. You have been so adventurous to try many local breakfast food items. Please write a blogpost to comment on the similarities and differences between American breakfast and Chinese breakfast (min 80 characters). Here are some topics for you to discuss, make sure you include the target patterns below :

1. What are some typical American and Chinese breakfast items?
(use 有的 有的 pattern)
2. What do American/Chinese breakfast taste like?
(use 又... 又 pattern)
3. Which American breakfast item is similar to a Chinese breakfast item? (use A很像B)
