Activity: 他/她穿_____吗?

- One student leaves the classroom and stays outside.
- The other students in the class decide who the target person is.
- The student returns to the classroom and guess who the person is by asking:

E.g. 他/她穿T恤衫吗?

Tā/tā chuān T xùshān ma?

他/她穿蓝色的T恤衫吗?

Tā/tā chuān lán sè de T xùshān ma?

The student has only 10 chances to find out the person.

Shopping! 买东西 mǎi dōngxi

- You're shopping at the night market in Shanghai. Some of you will be salespeople (老板 lǎobǎn); others will be customers (顾客 gùkè). Every customer has ¥500 cash and has to buy **two** kinds of fruits and **two** items of clothes.
- At the end of shopping, the customers will present what they bought to the class.
- Be prepared to bargain!

We'll play two rounds; the salespeople at the 1st round will be customers the 2nd.
