

Professional Goals:

- Having a teaching certificates in Louisiana soon.
- Getting a (Teaching/Education) Master Degree in USA.
- Using full immersion Chinese language to teach.
- Having more student-centered activities.
- Modeling the format and providing more clear instruction before student-centered activities.
- Providing authentic setting, material (audio,video recordings and authentic written texts).
- Anything I will teach should be based on meaning and communication purpose.
- Designing more comprehension assessment (e.g. survey, interview, role play performance, pair work and ask questions).
- Teaching Chinese language but also delivering the culture message.
- Don't force students to learn, but try to modify the lesson plan and sentence pattern to meet students' communication needs.
- Giving feedback and contacting parents more frequently.
