

Xiaohong Xu

Professional Goal (2011-2014)

1. Be familiar with IB curriculum design and implementation, establishing a solid Chinese program in a college prep private upper school;
2. Seek to provide highly interactive and communication language and culture learning experiences that are developmentally appropriate and challenging for young learners in the lower school enrichment program and after-school program;
3. Be an advocate and classroom-based action researcher on Chinese immersion program and task-based language teaching;
4. Design differentiated instruction that addresses student diversity within the Chinese language classroom;
5. Be a proficient user of Smart board, I-movie and Voki;
6. Acquire cartoon drawing skills to support immersion instruction;
7. Strengthen the connection between Chinese and American students;
8. Seek more professional development opportunities to cultivate myself as a Chinese scholar and a TCFL master teacher.
